The villas on Hansastrasse, FALKENSEE (N 53/2 65), covering an area about 1,000 x 3,300 feet, were occupied by Soviet Air Force officers and soldiers. A Soviet Air Force sentry was posted at the entrance gate, on which the air force insignia, made of wood, was seen. From the number of soldiers and officers observed, including those of other branches of service, it was inferred that an air force headquarters was stationed there.

Comment:

The Hq of the III Ftr Corps was stationed in FALKENSEE up to late August 1949. The present location of the headquarters is unknown. It is assumed that ground attack units arrived in DOBBINITZ and SCHOLLENALDE, and that a headquarters of the ground attack units was quartered in FALKENSEE. The headquarters is assumed to be the Hq of the 2nd Gds GA Div.
